

### **The Mark**

The **Fairlawn Lutheran Church and School** mark embodies all aspects of the Lutheran faith, integrating various elements that are central to its traditions and beliefs. The design is inspired by the distinctive church architecture. The mark also features inclusive blue and purple hues that reflect both the majesty and serenity associated with the Holy Kingdom.

## **The Mascot**

The lion represents Jesus as our King. In Genesis 49, Judah is described as a lion, and from Judah's line, Jesus, the Savior, would come. This imagery is revisited in Revelation 5, where Jesus is called the "Lion of the tribe of Judah," signifying His heavenly coronation as He ascends to sit on the throne after His work of salvation was completed. As a School and Church, we faithfully, lovingly, and thankfully follow Christ, the Lion of the tribe of Judah, who has battled and conquered for us. And as His people, we live in His strength and victory, boldly and confidently following Him and living out our faith as we love and serve others in His name.

### **Variations**

In some cases, and applications, using only the head of the mascot is more appropriate. In these instances, use one of these approved choices.
